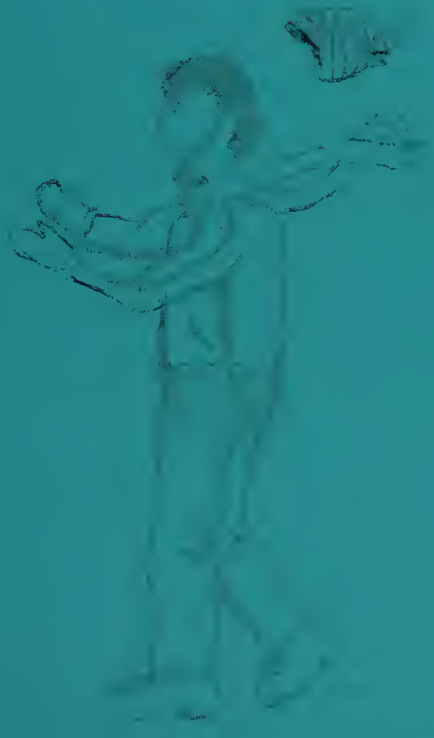
Lakehead
UNIVERSITY



On behalf of the Residence and University Administration I would like to take this opportunity to recognize the Residence Student Body of 2003-04 for the successes and accomplishments of this past year. As a result of the double cohort situation our Residence population has increased by over twenty percent. Lakehead University responded by building two new Apartment style residences to add 288 beds to our inventory. The Residence Life team has grown as well with the addition of twelve new RA and HP staff and the creation of the position of Residence Advisor. There has been an incredible amount of participation on all fronts as the residence students involve themselves with the various committee and House activities. A small example includes *"SUDS", "SAFE", "Residence Food", "Residence Disciplinary and Appeals"* Committees, *"Lounge Decorating", "Fall Fest", "House BBQs", "Rez Sports", "Price is Right", "Karaoke", "OPP Christmas Parade", "Residence Semi-Formal", "Shinerama", "Cutz for Cancer", "Food Bank Drives", "Year Book Committee", "Accessibility"* to list just a few of the various committees and activities that have taken place this year.

Residence is for many the "home away from home for the first time" situation. A group of strangers arriving in the fall is transformed into a close-knit family type unit. Many long-lasting friendships are made which will endure for a lifetime. It is with pride that Lakehead enjoys an important part in fostering these friendships. Enjoy these moments as you look through the yearbook for examples of the good times in Residence. The Yearbook Committee has done an excellent job in their task.

I look forward to the remainder of this year with the infectious enthusiasm that is so evident from you the Resident Student! Good luck in your exams and your summer pursuits. We'll see you in the fall. Have a safe and happy summer!

Wow!

Another year has flown by. For many of you it was your first time away from home, while for others it was just another eight months away from 'home'. Or wait, is this now 'home'?

It is always a sad time of year writing this entry into Residence's own yearbook. After all, it is still the beginning of March, and with another seven weeks of school and exams left, it's odd having to say 'goodbye'. There is still so much to do, and memories to create.

Each of you come from diverse backgrounds, small towns and large centres. From across the province, throughout Canada or even other parts of the world. The reasons you came to Lakehead may be different, but one thing is for sure, all have lived and learned.

I wish to thank all the students who've made a positive impact on both the Residence and Lakehead community. For some, the end of April brings on new challenges as you embark onto new adventures. To those I say 'goodbye, and good luck'. Many will be returning to Lakehead in September and to you I say 'see you again soon'. Either way, at some point in the future take the time to reflect upon these last eight months, and remember the good times.

Keep it real, and keep it safe,

Shannon Foster
Residence Life Coordinator

RESIDENCE PROGRAMMER

It's funny when I sit down to write in this years yearbook it seems so difficult to put into words the last 6 months of my life. I have worked with so many extraordinary students, together we have done so much for both the Residence community and the people of Thunder Bay that when I look back on it I sit and smile. Every single student that has taken the opportunity to get involved in Residence life has truly made a difference; just look through this book and you will realize all that you have accomplished.

The Residence Life team of House Presidents, Resident Assistants, Sports Coordinator and Yearbook Editor this year are one of the most amazing groups of students I have ever had the opportunity to work with and each and every one of you have touched my life in a very special way. I want to thank them for always finding things that make irritating noises in my office, random run by candy grabs, Tetris marathons, Spice Girls and ohhh the never-ending pop tabs.

Now this year wouldn't have been the same without some very important people who helped me out along this journey, you know who you are and thank you to each and every one of you who has touched my life in a very special way.

Congratulations and good luck to each and every one of you – my wish for you is that you enjoy your time here at Lakehead University as much as I did mine.

Tanya

Editor's Message

I cannot believe that the school year has come to an end... may we present you with the 2003-2004 Lakehead University Residence Yearbook. What a busy year it has been!

Thanks to my Yearbook committee who took on the extra work of taking pictures and creating awesome pages for each house. As well as to Tanya, Shannon, all of the House Presidents, and Residence Assistants for making this year a huge success of which we have the pictures to prove!

A special thanks to all my friends who put up with my yearbook stresses and helped me get this book put together.

To everyone in residence, I hope you had an awesome year, filled with good times, friends, residence sports and activities, and dare I say... schoolwork. I hope this book will help each one of you remember everything that has happened this year as you move on. Whether you are graduating or returning for another year, I hope you have a safe and fun-filled summer.

Good luck on exams!

Karin Smith
Yearbook Editor

cuts for cancer

On Wednesday February 25th Lakehead University's second annual Cuts for Cancer took place in the Agora raising over $4400 for the Canadian Cancer Society. Organizer Adam Fanjoy started this initiative last year with the Residence students raised over $3000 and is happy with the success of this year's event. "After the success of last years I decided not to cut my hair until this years event. It's a great cause and with the enthusiasm of the students on campus I knew Lakehead University could make a difference. Hopefully next year's event will be bigger and better."

David Hare, the Manager of Residence and Conference Services has been growing his beard since October. When the students reached last year's goal of $3000 the beard was going to be shaved off, a huge group of students, staff and faculty were present to witness the event. "Its incredible to see students pull together and raise so much money for a great cause, Cancer is something that affects everyone's lives. I am proud to work with such incredible students I was very happy to be part of this years event," David Hare, Manager of Residence and Conference Services.

A very HUGE and special thank you to Adam Fanjoy and Jen Hall for all their hard work and dedication towards this great cause.

Hey Dryden,
Ernest and I just want to say thanks to all of you for such an amazing year.
You all made up the greatest house that anyone could ask for. We have shared in so many good times, that it is going to make it really hard to leave you guys for the summer.

We hope that you all have a wonderful summer and we are looking forward to seeing you all back in the new school year.

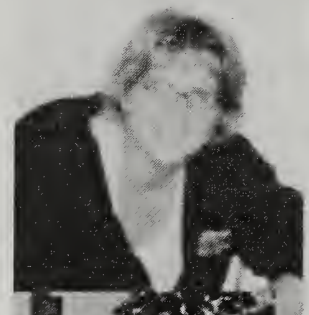
The First Few Months

Hey Guys! Thanks so much for making this year absolutly amazing, and for letting me have so much fun as your HP?!; I could not have wished for a better house. hope all of you had as much fun as I did... you are all great people. And Mike I will, one day, get your hat! (Pink is the coolest colour EVER!!!) Meagan



Hey guys.
I've had a wonderful year, and each and everyone of you has contributed to this. Thank you all very much. I can say I am proud to have worked in this house both as an RA and as a member; and I hope you all feel the same way.

Go Get 'em Gators!

LAKEHEAD

THE LIZARDS' PARENTS

This has been a really interesting year in Longlac House, especially with the addition of the Double Cohort from high school. The house adjusted almost immediately, which was very beneficial to all of us inside the house.

During the course of the year, Longlac House became a house that was full of volunteering effort. Some of the Lizards are members of the "Best Buddies" program, First Response Team, and various other volunteer groups. Also, they worked quite well together, making new friends along the way, and they showed tremendous effort with house activities

At the beginning of the year, Longlac House also held what is quite possibly the first ever Resident Points system. It is similar to House Points, but strictly held within the confines of the house. Residents in the house would receive points for going to house sports and attending house events. At the end of each term, the resident who had the most points would receive a **great** prize.

In conclusion, the house was excellent this year. They realized what was important to them and they did their best in accomplishing what they had to do.

Congratulations, Lizards!

Justin Hatt
House President

Dear Longlac 2003-2004,
It's hard to believe the year is almost over, it's certainly been a blast! You have all come so far since move in day at the end of August. Everyone was in the same new situation, many people very far from home, coming to live in a house with 42 other first year students. I think that everyone has really grown as people: making new friends, becoming more independent, learning about life and gaining a valuable education. It's been such a pleasure to live with so many great individuals and have a part in your Residence experience. We've had some crazy-fun times from Frosh week, to Halloween decorating, to Rez sports, to Formals, and late night visits from the "Condom Fairies".
It has been a wonderful year, have a fantastic summer and best of luck in your futures.
"Snaps to you all for an outstanding year!"
Yours truly,
Andrea Harrington
